## Independent auditor's report

Souq Al-Kabeer Building Block A - 9th Floor R O. BOX 2986 Safat 13030 State of Kuwait T+965-2244-3900/9 F+965-2243-8451 www.grantthornton.com.kw

To the Shareholders of Gulf Cables and Electrical Industries Group Company – KPSC Kuwait

#### Report on the Audit of the Consolidated Financial Statements

#### Opinion

We have audited the consolidated financial statements of Gulf Cables and Electrical Industries Group Company – KPSC ("the Parent Company") and its subsidiaries ("the Group"), which comprise the consolidated statement of financial position as at 31 December 2023, and the consolidated statement of profit or loss, consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at 31 December 2023, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below as the key audit matters.

#### Revenue recognition

Revenue is measured based on the consideration to which the Group expects to be entitled in a contract with a customer. The Group recognizes revenue when it transfers control of a product to a customer. The Group follows a five-step process to recognize revenue as disclosed in the accounting policy related to revenue recognition (note 4.6). This is an area of audit focus as management assumptions are required to apply the revenue recognition criteria to each separately identifiable component of revenue. This can result in circumstances which require careful consideration to determine how revenue should be recognized.

Our audit procedures included testing the operating effectiveness of associated internal controls and performing substantive audit procedures. We also performed analytical reviews and reviewed management accounts to identify any material new revenue streams. Our testing procedures included reviewing customer contracts, checking delivery records and price lists, and checking that the recognition criteria of IFRS were met. We also assessed the adequacy of the Group's disclosures of its revenue recognition policy, the judgements involved and other related disclosures.

Revenue by segment is disclosed in Note 26.

## Independent Auditor's Report to the Shareholders of Gulf Cables and Electrical Industries Group Company – KPSC (continued)

#### Valuation of unquoted investments

The Group's investments in unquoted investments classified as at fair value through other comprehensive income represent a significant part of the Group's total assets and categorized within Level 3 of the fair value hierarchy as disclosed in the Note 30 to the consolidated financial statements. The valuation of these investments is inherently subjective as it is primarily based either on external independent valuations or on entity-developed internal models and not on quoted prices in active markets or other observable inputs. Therefore, there is significant measurement uncertainty involved in those valuations. As a result, the valuation of those instruments was significant to our audit. We have, therefore, spent significant audit efforts in assessing the appropriateness of the valuations and underlying assumptions.

Our audit procedures included agreeing carrying value of the unquoted investments to the Group's internal or external valuations prepared using valuation techniques, assessing and challenging the appropriateness of estimates, assumptions and valuation methodology and obtained supporting documentation and explanations to corroborate the valuations.

#### Other information included in the Group's Annual Report for the year ended 31 December 2023

Management is responsible for the other information. Other information consists of the information included in the Group's annual Report for the year ended 31 December 2023, other than the consolidated financial statements and our auditor's report thereon. We obtained the report of the Parent Company's Board of Directors, prior to the date of our auditor's report, and we expect to obtain the remaining sections of the Annual Report after the date of our auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

### Independent Auditor's Report to the Shareholders of Gulf Cables and Electrical Industries Group Company – KPSC (continued)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements (continued)
As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
  activities within the Group to express an opinion on the consolidated financial statements. We are responsible
  for the direction, supervision and performance of the Group audit. We remain solely responsible for our
  audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Independent Auditor's Report to the Shareholders of Gulf Cables and Electrical Industries Group Company – KPSC (continued)

Report on Other Legal and Regulatory Requirements

In our opinion, proper books of account have been kept by the Parent Company and the consolidated financial statements, together with the contents of the report of the Parent Company's board of directors relating to these consolidated financial statements, are in accordance therewith. We further report that we obtained all the information and explanations that we required for the purpose of our audit and that the consolidated financial statements incorporate all information that is required by the Companies Law No. 1 of 2016 and its Executive Regulations, as amended, and by the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, that an inventory was duly carried out and that, to the best of our knowledge and belief, no violations of the Companies Law, the Executive Regulations, or of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, have occurred during the year ended 31 December 2023 that might have had a material effect on the business or financial position of the Parent Company.

We further report that, to the best of our knowledge and belief, no violations of the provisions of Law No. 7 of 2010 concerning the Capital Markets Authority ("CMA") and its relevant regulations have occurred during the year ended 31 December 2023 that might had a material effect on the business or financial position of the Parent Company.
