

شركة مجموعة الخليج للكابلات والصناعات الكهربائية ش.م.ك.ع. - الكويت

Gulf Cables & Electrical Industries Group Co. K.S.C.P - Kuwait

Date:30/03/2026

Ref: GC/ 173 /2026

M/S. Bursa Kuwait Company

Greeting,

Subject: Results of Board of Directors meeting held on 30/03/2026

With reference to the above subject, we are pleased to inform you that the Board of Directors held its meeting on 30/03/2026 at 1:30 pm where the consolidated financial statements of the year ended 31/12/2025 have been discussed and approved.

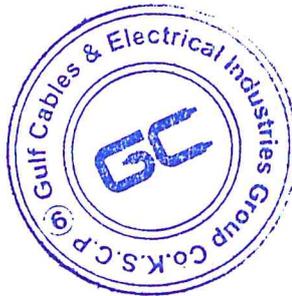

Please find enclosed the financial statements form for the year ended 31/12/2025 along with auditor report.

Pursuant to the requirements of Bursa Kuwait rule book issued under resolution (1) 2018 and since Gulf Cable Group Co. has been classified within the "Premier Market", Gulf Cable Group Co. is glad to announce that the analyst conference will be conducted on Monday 06 April 2026 at 1:30 PM local time through a conference call.

The Interested parties could communicate with GC. Via Email (Investor.relations@gulfcable.com) to obtain the invitation and other details.

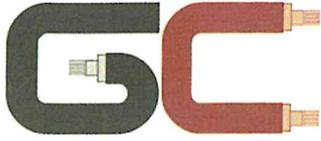

Best regards

Bader Naser Al-Kharafi
Vice Chairman

Independent Auditor's Report

To the Shareholders of
Gulf Cables and Electrical Industries Group Company – KPSC
Kuwait

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Gulf Cables and Electrical Industries Group Company – KPSC (“the Parent Company”) and its subsidiaries (together referred to as the “Group”), which comprise the consolidated statement of financial position as at 31 December 2025, and the consolidated statement of profit or loss, consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at 31 December 2025, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board (“IASB”).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Code of Ethics for Professional Accountants (including international independence standards) issued by the International Ethics Standards Board for Accountants (“IESBA Code”) and the ethical requirements that are relevant to our audit of the consolidated financial statements in the State of Kuwait. We have fulfilled our ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below as the key audit matters.

Revenue recognition

The Group's revenue is primarily generated from the sale of goods, which is recognized at the point in time when control is transferred to the customer, typically upon delivery or shipment. Given the significance of revenue to the consolidated financial statements, we determined this to be a key audit matter.

Our audit procedures included testing the operating effectiveness of associated internal controls and performing substantive audit procedures. We also performed analytical reviews and reviewed management accounts to identify any new material revenue streams. Our testing procedures included reviewing customer contracts, checking delivery records and price lists, and checking that the recognition criteria of IFRS were met. We also assessed the adequacy of the Group's disclosures of its revenue recognition policy, the judgements involved and other related disclosures.

Revenue by segment is disclosed in Note 25.

Independent Auditor's Report to the Shareholders of Gulf Cables and Electrical Industries Group Company – KPSC (continued)

Key Audit Matters (continued)

Valuation of financial assets classified within level 3 hierarchy

The Group holds significant investments classified as level 3 in the fair value hierarchy as disclosed in Note 29 to the consolidated financial statements. The valuations of these investments rely on significant assumptions and modeling techniques, and therefore subject to estimation uncertainty. These valuations were derived from the application of different valuation methods including relative valuation methods, adjusted net asset value and discounted cash flows. The key inputs for level 3 valuations include market multiples, illiquidity discounts, expected cash flows, risk free rates, growth rates and credit spreads. Given the significant judgement and estimation risk involved in these valuations, we determined this to be a key audit matter.

Our audit procedures included, amongst others, assessment of the appropriateness of the valuation methodologies and models applied by the Group including agreeing the carrying value of the investments to the internal and external valuations. Further, we challenged the key valuation assumptions by critically evaluating the key inputs such as expected cash flows, risk-free rates, growth rates and credit spreads, benchmarking them against external data to assess their reasonableness and performed sensitivity analysis to understand the impact of changes in key assumptions. We determined whether the valuations provided by the Group fell within pre-defined tolerable differences thresholds, and further analyzed and challenged any significant deviations. Additionally, we examined the completeness and accuracy of the disclosures related to these financial assets and ensured that the financial statements complied with IFRS disclosure requirements regarding fair value measurement.

For further details on the valuation of financial assets measured at fair value through profit or loss and other comprehensive income, refer Note 29 to the consolidated financial statements.

Other information

Management is responsible for the other information. The other information comprises Board of Directors' report (but does not include the consolidated financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report, and the complete Group's Annual Report which is expected to be made available to us after that date.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we have obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Group's complete Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRS Accounting Standards as issued by the IASB, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditor's Report to the Shareholders of Gulf Cables and Electrical Industries Group Company – KPSC (continued)

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements (continued)

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the Group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the consolidated financial statements. We are responsible for the direction, supervision and review of the audit work performed for purpose of the group audit. We remain solely responsible for our audit opinion.

Independent Auditor's Report to the Shareholders of Gulf Cables and Electrical Industries Group Company – KPSC (continued)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements (continued)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

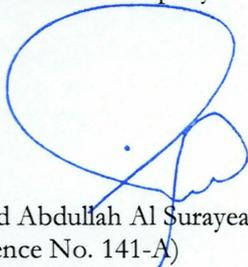

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Furthermore, in our opinion, proper books of account have been kept by the Parent Company and the consolidated financial statements, together with the contents of the report of the Parent Company's Board of Directors relating to these consolidated financial statements, are in accordance therewith. We further report that we obtained all the information and explanations that we required for the purpose of our audit and that the consolidated financial statements incorporate all information that is required by the Companies Law No. 1 of 2016 and its Executive Regulations, as amended, and by the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, that an inventory was duly carried out and that, to the best of our knowledge and belief, no violations of the Companies Law, the Executive Regulations, or of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, have occurred during the year ended 31 December 2025 that might have had a material effect on the business or financial position of the Parent Company.

We further report that, to the best of our knowledge and belief, no violations of the provisions of Law No. 7 of 2010 concerning the Capital Markets Authority ("CMA") and its relevant regulations have occurred during the year ended 31 December 2025 that might have had a material effect on the business or financial position of the Parent Company.
